

ANIMAL WELFARE ESSAY

In the essay, we are looking for answers that talk about the importance of treating our animals humanely and making sure they have everything they need for a happy and healthy life. Below are a few examples of answers to look for in the essay.

- Providing fresh food and water for the animal.
 - Food that's specific to the animal's nutritional needs is a plus!
- Keeping animals comfortable in all kinds of weather; heat, cold, wind, rain, etc.
- Maintaining pens by cleaning up manure and providing a clean space for them to live.
- Playing with them.
- Calling a veterinarian when they are sick or injured.
