

GROWING AGRICULTURE together.

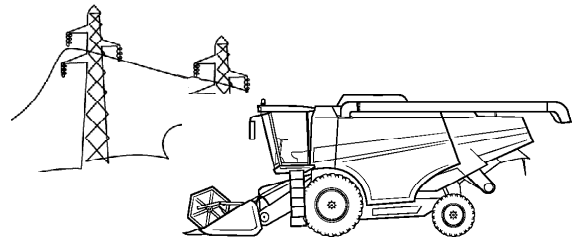

Name: _____

EQUIPMENT SAFETY

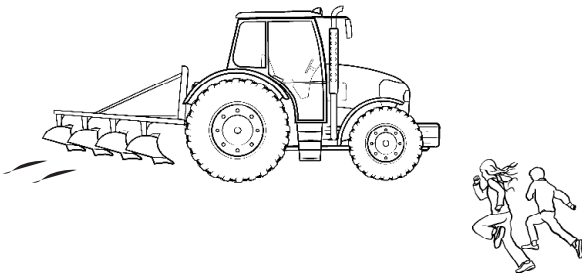

When a farmer is operating large machinery they must always exercise equipment safety. With equipment being so large it is extra important that a farmer takes the time to look at their surroundings before operating any machine. Look at the images below and write the correct safety message for each scenario.

EQUIPMENT SAFETY

When a farmer is operating large machinery they must always exercise equipment safety. With equipment being so large it is extra important that a farmer takes the time to look at their surroundings before operating any machine. Look at the images below and write the correct safety message for each scenario.

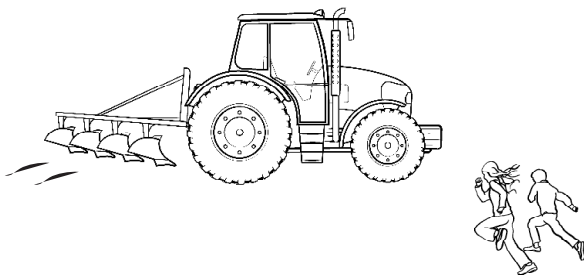

SAFETY MESSAGE:

KNOW WHERE ALL THE KIDS AND/OR ANIMALS ARE LOCATED BEFORE YOU MOVE OR BACK-UP EQUIPMENT

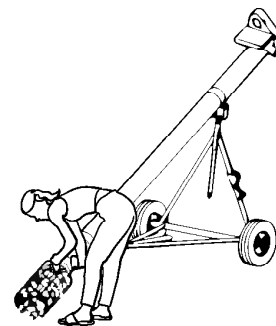

SAFETY MESSAGE:

LOOK UP AND LOOK OUT FOR POWER LINES TO KNOW WHAT YOUR SURROUNDINGS ARE WHEN RUNNING BIG EQUIPMENT

SAFETY MESSAGE:

NEVER APPROACH RUNNING EQUIPMENT. WAIT FOR AN ADULT TO STOP THE EQUIPMENT BEFORE YOU APPROACH.

SAFETY MESSAGE:

DON'T TOUCH A MOVING AUGER AS YOUR HANDS OR LOOSE CLOTHING CAN GET CAUGHT IN THE MOVING PIECES.
