GROWING AGRICULTURE together

Name: _____

SAFETY INTERVIEW

By learning about the dangers on the farm and following simple steps to prevent accidents, a farmer can maintain a safe environment for themselves, their farm help, and their family. Interview a local farmer and write their responses below. Then, apply what you have learned to answer the "Let's Start a Conversation" question.

NAME OR FARM NAME: _____

WHAT SHOULD YOU DO IF YOU HIT A POWER LINE WITH YOUR FARM EQUIPMENT?

GIVE EXAMPLES OF HOW YOU MODEL SAFE BEHAVIOR AROUND FARM EQUIPMENT.

HAVE YOU EVER EXPERIENCED A FARM ACCIDENT? AND WHAT DID YOU LEARN?

LET'S START THE CONVERSATION

Applying what you learned about equipment safety on the farm, what is one topic you think is important for everyone to know about? Why do you think it's important and how can we share it?
